- Agriculture, Modern Food Production and the Environment:
 - Non-specified Pathway
 - Modern Food Production Certificate
 - Agriculture, Modern Food Production and the Environment Diploma
 - AAS
 - Online Pathway:
 - Modern Food Production Certificate
 - Agriculture, Modern Food Production and the Environment Diploma
 - AAS
 - Agronomy and Row Crop Operations Pathway:
 - Modern Food Production Certificate
 - Agriculture, Modern Food Production and the Environment Diploma
 - AAS
 - Animal Science Pathway:
 - Modern Food Production Certificate
 - Agriculture, Modern Food Production and the Environment Diploma
 - AAS
 - Business Pathway:
 - Modern Food Production Certificate
 - Agriculture, Modern Food Production and the Environment Diploma
 - AAS
 - Conservation Pathway:
 - Modern Food Production Certificate
 - Agriculture, Modern Food Production and the Environment Diploma
 - AAS
 - Face to Face Pathway:
 - Modern Food Production Certificate
 - Agriculture, Modern Food Production and the Environment Diploma
 - AAS
 - Specialty Crop Pathway:
 - Modern Food Production Certificate
 - Agriculture, Modern Food Production and the Environment Diploma
 - AAS
- Automotive Technology
 - Automotive Collision Repair and Restoration:
 - Auto Body Diploma
 - AAS
 - Automotive Technology:
 - Automotive Mechanics Diploma
 - AAS
 - Automotive Technology Management AAS
- Business Management & Administration
 - Accounting:
 - Accounting Certificate
 - Accounting Assistant Diploma
 - AAS
 - Business Administration: AAS
 - Business Administration - Business Office Management Pathway:
 - Office Technology Certificate
 - Office Support Certificate
 - Office Professional Diploma
 - AAS
 - Business Administration - Entrepreneurship Pathway
 - Management & Leadership Development Certificate
