The Automotive Technology program is an Automotive Service Excellence (ASE) certified program. This certification assures the student that the program meets the standards set by National Automotive Technicians Education Foundation (NATEF) regarding equipment, tools, scheduling, instructors and curriculum.

GM and Ford Certified

Timothy Hunter

Instructor

(319) 208-5000 ext. 5108

thunter@scciowa.edu

AAS, Indian Hills Community College

ASE Master Tech

In order for a technician to become ASE certified, they must have two years experience in addition to passing tests in the various areas of automotive repair. However, by attending the SCC Automotive Technology program, students may take these tests at any time during their education. If a student passes these tests, they will become ASE certified pro-tem upon graduation. After just one year of experience in the field, they become officially ASE certified.

The [Automotive Technology AAS](#) is awarded after successful completion of two full years.

*Diploma can be earned one time.

Where will this take me?

Automotive Diagnostic Expert

Automotive Parts Sales

Automotive Repair Technician

Automotive Service Advisor

Insurance Adjuster

Transmission Specialist

Instructor and Staff

Wes Carpenter

Assistant Professor
