

Early Childhood Education - Bridge to Educator Licensure

West Burlington Campus, and Online

The Early Childhood Education Bridge to Licensure will allow a student who completes the [Early Childhood Education - Child Care Management Pathway](#) an opportunity to complete additional general education courses that will then allow a student to continue onto a university to complete a baccalaureate degree resulting in educator licensure. The Bridge may be taken simultaneously to enrollment in the Pathway, or the courses may be taken after completion of the Pathway. An articulation agreement has been established to ensure a smooth transfer to Iowa Wesleyan into the Elementary Education Teacher Education Program.

For specific information regarding program rules and expectations, please view the [Early Childhood Education & Teacher Education Programs Handbook](#).
