The Office Support Certificate provides students with an entry-level skill set related to the functions of an office setting. Students will learn necessary keyboarding skills and the proper use of various computer programs critical to a career in business. Students will have the opportunity to job shadow various positions within different business settings so they may gain real-life exposure to the career opportunities available to them upon completion of their program of study. Students enrolled in the ESL Pathway will learn critical English-speaking skills in addition to the technical skills needed for successful entry into the workplace. Students enrolled in the Professional Pathway will learn more advanced technical skills related to the functions of an office setting. Coursework in this option prepares you for Microsoft Office Specialist® certification. You also have the opportunity to participate in Business Professionals of America with the chance to attend state and national conferences.
