

Practical Nursing - Diploma (Spring Start)

West Burlington Campus, Keokuk Campus, and select courses available Online.

You have a calling to help others, you are compassionate, you want to give back. A career in nursing provides rewards beyond measure.

Other programs in the Nursing pathway are [Nursing Aide](#) which is a one-class course offered in afternoons in many locations and in hybrid format to accommodate high school students and working individuals.

Successful completion of the [Nursing Diploma](#) program can be completed in Summer, Fall and Spring semesters (11-months) allows the student to test for the NCLEX-PN for licensure as a licensed practical nurse.

Successful completion of the [Nursing AAS](#) program can be completed in two years (starting in Summer) allows the student to test for the NCLEX-RN for licensure as a registered nurse.

Admission Criteria for Nursing Programs (#317) applies to this program. Below is a summary of the guidelines for convenience and is subject to change. Application deadlines apply to this program. *Please contact Enrollment Services for more details.*
