

Information Technology Management - AAS

West Burlington Campus, and select courses available at the Keokuk Campus

This program offers hands-on experience and practical application of installation maintenance and administration of computer networks in a business atmosphere. Students will spend time working on how to manage a department, including create a budget, handling conflicts and managing projects. Students graduating from this program should be capable of managing a department and have excellent IT skills. Students will also take the CompTIA IT Fundamentals Certification at the end of the Spring I semester and CompTIA Project+ at the end of the Spring II semester.

The [IT Technician Diploma](#) is awarded after successful completion of the second semester.

*Diploma can be earned one time.

For specific information regarding program rules and expectations, please view the [Information Technology Programs Handbook](#).
